Dear Ms. Santos,

Thank you for your Freedom of Information Act Request EPA-HQ-2018-006849, regarding EPA's submission to OMB's Technology Modernization Board.

As of the date of this correspondence, EPA has not submitted a funding application to OMB's Technology Modernization Board. While it is possible EPA may submit a funding application in the future, a decision to do so has not yet been made. You may resubmit this request for information at another time.
